Published by Hachette Australia on 28 August 2018, Trade Paperback RRP \$32.99, eBook RRP \$14.99

What do our girls think about their fathers? And what are fathers struggling with when it comes to their relationship with their daughters? The bestselling author of *Being 14* now tackles the complicated father/daughter relationship.

Award-winning journalist, author and commentator Madonna King has interviewed over 500 girls and many fathers, as well as leading psychologists, school principals, CEOs, police, guidance counsellors and neuroscientists, to get the answers all mothers, fathers and daughters need to know.

Exploring a father's role in his daughter's life from a daughter's perspective as well as the father's, Madonna examines the key issues that arise to help families navigate the sometimes very difficult moments. This essential and insightful book reveals why daughters turn against their fathers, teen rebellion, discipline, sexual education, the impact of broken families, how much influence a father can/should have and what you can do to repair a broken relationship.

***Fathers and Daughters* will give a voice to our girls, insight to our fathers and peace of mind to both.**
